Which unit owners have been contacted (provide addresses):

Proposed start date: _____ Proposed completion date: _____

I agree that approval from the Dakota Ridge Village Community Board of Directors is required in order to proceed. I also understand that Board approval does not constitute approval of the City of Boulder Building Department and that I may also be required to obtain a building or other permit. I understand that no staging and/or storage of materials or use of construction equipment in the Association owned common areas is allowed unless approved by the Board. I further understand that the homeowner is responsible for any damage to the common area.
